### Lyrics

*You, you were standing  
In the bright.  
And I, I was standing  
To your left side.  
Crying away  
Across the starry day.  
And we sank down to  
A brighter night.*

*Let's get lost without a trace.  
I don't remember this place.  
I want to kiss your face.  
I want to kiss you.*

*Oh you, you were walking  
Across the lake.  
But I, I was craving  
A piece of earthquake.  
Counting the rings,  
Hearing the siren sing.  
And we melt down to  
A brighter night.*

*Let's get lost without a trace.  
I don't remember this place.  
I want to kiss your face.  
I want to kiss you.*

*Oh, lost without a trace.  
'Cause I remember this sweet place!  
I want to kiss your face.  
I want to kiss you.*

*You, you were going  
To bed at night.*

*But I, I'm standing  
In the BRIGHT!*

*Let's get lost.  
Let's get lost.  
Let's get lost.  
Let's get lost.  
Let's get lost.  
Let's get lost.  
Let's get lost.*

*And she sang low  
To seeds they thought they'd lost,  
And held her hands  
In a place,  
Not lost,  
Where people  
Turn to gold!*

*And I remember.  
I remember  
Your sweet, sweet face.*

*MmmmHmmm.*

*For it's the doom of men  
That they forget.  
Climbing over a rock  
On a mountain.*
